Speak English Around Town – Test Booklet

By: Saleh Eftekhari

Dedicated with love to scions of Iran

Introduction

Contrary to popular belief, *Speak English Around Town* is not the main source for *Language Functions Part* in the university entrance exam, but we haven't a fixed source for the entrance exam at all!

One of the complete works in the part of vocabulary and language functions written is this source. This book will give you a comprehensive outlook on vocabulary and conversation in UEE.

After all, *Speak English Around Town* is valuable because it includes some useful idioms and expressions and can brush up your knowledge.

From this website (<https://www.essentialenglish.review/speak-english-around-town>) you can learn the book and then answer the tests.

All the best,
Saleh Eftekhari
